# *ECVET for Elderly Care (EFEC)*

**Project period:** 01.2013 – 12.2014

## **The aim of the project:**

to create a new transnational alliance of VET providers, education and qualification stakeholders, public and private working life and professional associations;

to analyse working life needs, collect the best practises and innovations;

to compare working life needs and curricula/qualifications;

to make a list of work-related competences based on the analysis and research of working life needs,

to create a Basic Elderly Care UNIT/criteria of Learning Outcomes (knowledge, skills and competences) and test it;

to implement the work-related competences list and the Basic Elderly Care UNIT;

to share ECVET ideas;

to train VET providers and work placement instructors by using the ECVET material and European tools;

to disseminate project results on the web-page and at seminars.

**Project partners:** 14 organisations from Finland, Germany, Italy, Lithuania, the United Kingdom, and Estonia.

Innove is an associated partner of Kutsekoda.
