

# *National Authorities for Apprenticeship: Implementing Work Based Learning in Latvia, Lithuania and Estonia (WBL-Balt)*

**Project period:** October 2014-September 2016

**The aim of the project:** The aim of this Erasmus+ Project is to support development of Work-Based Learning and apprenticeship in the Baltic States and to enhance cooperation between 3 Baltic states in implementing VET reforms.

## **The expected outcomes are:**

- Review and analyse of current experience of WBL. The report from a professional research company will be available 15th of October 2015.
- Analyses of different practices of WBL implemented by Estonian VET providers. Report of the analyses will be ready in September 2016.
- Organisation of 3 study visits to countries with longer experience on WBL (Denmark, Austria, Germany) for Estonian employers and other stakeholders. Visit to Denmark will take place on sept.-nov. 2015, visits to Austria and Germany during 2016.
- Organisation of International conference of apprenticeship training in Estonia – beginning of 2016.

**Project partners:** Ministry of Education and Science of the Republic of Latvia – Leading partner, Ministry of Education and Science of the Republic of Lithuania, Foundation Innove (Estonia)

Project is funded by ERASMUS+ and Estonian Ministry of Education and Research.
