National Teams of ECVET Experts

Project period: 2012-2013

The aim of the project: to support the implementation of ECVET principles and raise the awareness of the target groups and the whole society about the principles and benefits of ECVET in order to support mobility and transparency of qualifications in Estonia and the EU.

The objective was to develop a sustainable implementation mechanism for ECVET, incl. methodological guidelines and a network of experts and counsellors to support the process.

The target groups are the potential ECVET users in Estonia: VET schools and other training providers; Professional Councils as the representatives of the employers under the co-ordination of the Estonian Qualification Authority;

Project partners: Archimedes Foundation and the Estonian Qualification Authority.

Project was funded by the European Commission.
